

Pawtucket Youth Hockey Association is a non-profit organization that is focused on providing the skills and game knowledge required to compete in a competitive, yet fun environment. Over 350 Rhode Island and Massachusetts boys and girls are actively involved in our instructional learn to skate program through Midgets. We offer both house and competitive travel programs that have produced many recent state championships to show for our hard work and dedication to the organization.

Our mission is to provide the best learning experience to our children and teach them how to practice hard, improve their skills and work as a team to improve each and every week.

Good sportsmanship is by far the most important thing we try to instill in our children. Many of the kids in our program have friends on other Rhode Island state teams. This is the only sport where you will see kids shaking hands with their opponents after a hard fought game. That's good sportsmanship!

Join us at Trigg's on the 9th of August and support PYHA by participating in this fun filled day. Last years event was great, but this year will be even better...

See you there!
